Fundamental Questions to Ask a Prospective School

Interested in International education but you don't know where to start. Don't worry, we've got you covered.

We know what you are going through, all our parents have been going through the same questions, and this is why we put this checklist together. An overview of the most frequently asked questions by parents, to get you started in your own thinking.

We thought it would be useful to share with you the *key questions parents should be asking a prospective school*. We hope it will resonate with you and help you choose the right school for your family.

What curriculums are offered at school?

Are there transportation services to commute to school?

What are the academic results and achievements?

Do students from other schools nearby move to this school?

What after school activities are available at school?

What is the demographics of the school?

What is the school and class size?

What is the fee structure like?
